Audit Visits to Printers

As agreed at our meeting on Thursday 9th April, we have discussed the dates when Sally and Tony are available to visit the four printers, and these are given below:

Week beginning: 18/5/92
1/6/92
6/7/92
27/7/92

It was also suggested that there be a meeting between Sally, Tony and yourselves, to discuss the style and content of the audit, prior to any visit being made. We would suggest that this be held on either the 27th, 29th, 30th April or 1st May if this is convenient to you.

Can you please confirm with the printers that the proposed dates are acceptable and which day you would prefer the pre-meeting.
